Media Loft

Art Director / Minneapolis, MN / 2021-2024

I collaborated closely with creative directors, producers, and designers to conceptualize and execute engaging live event experiences nationwide. My role involves providing valuable support to the team through the creation, animation, 3D modeling, and design of digital and print experiences.

Rocket55

Senior Designer / Minneapolis, MN / 2019-2021

I've contributed to agency-wide creative initiatives by providing strategy, sitemaps, wireframes, prototypes, and design. Collaborating closely with strategists, copywriters, and our internal development team, I've played a vital role in crafting meaningful, impactful, and informed web experiences for clients in and around Minnesota.

Shinebox

UX Designer / Minneapolis, MN / 2017-2019

I collaborated with a dynamic team of creatives, dedicated to crafting brand platforms for diverse clients across Minnesota. While several projects had a strong UX focus, I also engaged in the creation of 3D, video, and motion work. I worked seamlessly alongside a dedicated video team.

LookThink

UX Designer / Washington DC / 2015-2017

I primarily concentrated on designing UX solutions, seamlessly integrating Salesforce with WordPress, and developed supporting print/digital materials for clients in the DC, VA area. Collaborating with project managers, creative directors, strategists, and developers, I contributed to crafting effective solutions for high-profile clients.
