INTRODUCTION.

I'm a UX designer, creative, and musician from Moorhead, MN. Over the past 6 year's I have worked for a variety of clients across the country through both the agencies that I've worked for and the freelance opportunities I've accumulated. I've got thousands of projects under my belt that range from print oriented work through digital mediums. My goal as a designer is to create informed design solutions that solve a problem and make that solution look sexy as hell.

EDUCATION.

Minnesota State University
Moorhead, Bachelor of Fine
Arts Degree, 2011-2015

WHO I'VE DONE DIGITAL STUFF FOR:

ROCKET55

Senior Designer / Creative Director, 2019-Current (Minneapolis, MN)

I am the creative director at Rocket55. I create solutions in a very rapid work environment. I provide strategy, design and support for creative initiatives across the agency. I work 1 on 1 with our internal dev team to create fantastic wordpress and shopify solutions for our clients.

SHINEBOX

UX Designer, 2017-2019 (Minneapolis, MN)

While I worked on several UX related tasks at Shinebox, I got a ton of animation/video experience while on the job. I worked 1 on 1 with copywriters and creative directors to create powerful design solutions. We focused on developing "Brand Story" for our clients.

LOOKTHINK LLC

UX Designer, 2015-2017 (Washington, DC)

Our team focused on implementing web design solutions for Salesforce integration. I provided a variety of design solutions to our clients and worked 1 on 1 with developers to create robust web/digital experiences across the country.

MINNESOTA STATE UNIVERSITY MOORHEAD,

Assistant Designer, 2013-2015 (Moorhead, MN)

I was an assistant designer for Minnesota State University Moorhead's marketing department and was responsible for supporting student groups, faculty and events across campus with custom print and web material.
